Frequently Asked Questions:

Q: Once you receive my Privacy Release Form, what happens next?

A: When my caseworker receives your form, it will be submitted to the appropriate agency. Receiving an initial response from an agency takes an average of 30 – 90 days. My office will contact you once it hears back from the agency.

Q: Are there certain issues that you cannot help me with?

A: Yes. I am unable to assist you with or intercede in any matter before any court, including one involving a criminal charge. In addition, issues involving private companies, such as your bank, cable provider, credit card company, or mortgage company, are also outside of my jurisdiction. Also, I cannot intercede in any city, county, municipal, or state government issue. Some examples of these include, but are not limited to, food stamps, road repairs, child support payments and probation.

Q: Why is it important for you to have two forms of identification?

A: This is important because it ensures that you are the person requesting assistance and not an unauthorized third party. Since most of the assistance provided by my caseworker is of a sensitive nature, providing two forms of identification helps my office to eliminate the possibility of fraud.

Q: Someone I know is having a problem; can I request your assistance on their behalf?

A: Unfortunately, I cannot initiate an inquiry with a federal agency without the primary party's consent. The person having the problem must be the one to initiate contact with my office and must be the person who completes the Privacy Release Form. Please note that Power of Attorney is not recognized by federal agencies, as it is granted by the State of Texas and not the federal government.

Q: I live outside of your district, but I want your office to assist me. Can you still help me?

A: In the tradition of congressional courtesy, I can only assist constituents of the 2nd Congressional District of Texas. My office is happy to forward your inquiry to your representative, if requested. If you have already contacted your Congressional Representative and are not satisfied with the response, you can contact your Senators, John Cornyn and Ted Cruz, who represent the entire State of Texas.

Q: My issue does not involve a personal situation. I would, however, like to suggest legislative changes which I feel would be beneficial. How do I do that?

A: This form is for casework with my Texas office only. If you would like to speak to someone regarding legislation, please contact my Washington D.C. office at 202-225-6565 or toll free at -866-425-6565.
